## LETTER FROM THE PRESIDENT

### RIB ROAST THANK YOU.

Once again our July Rib Roast was a success. I would like to personally thank Ray Heabel and Ron Patrick for the great job they did in making the ribs. I'd also like to thank all the people working in the kitchen, at the door taking tickets, people selling raffle tickets, and Hank Oszakiewski for emceeing. I personally had some of our guest compliment us on how good the meal was. I had two people tell me that they have come ever since we started to have the Rib Roast. They look forward to every one of them and hope we continue to have them. I would also like to thank all the businesses and people for their very generous donations to the Rib Roast and for the wonderful raffle prizes.

## FIRST ANNUAL BACK-TO-SCHOOL BASH 2019

Indian Springs School District #109 hosted the First Annual Back-to-School on Saturday, August 3rd and it was a huge success! the event was held on the Wilkins Field adjacent to Roberts Road and provided an opportunity for the community to come together and celebrate the start of the 2019-2020 school year. In addition, the event successfully raised money for the Jean Dertling Memorial Student Scholarship Fund. Families were able to register for school and at the same time enjoy music performed by R-Gang and the District 109 Music Department, food, raffles, Binger, face-painting, dunk tank, balloon sculptures, juggling entertainment, a voter registration booth, and much more. Special thanks to the Bash Committee members, Maintenance/Custodial Staff, volunteers, and community members that helped make this event a memorable one.

School District 109 is very grateful to all of the 59 local businesses and organizations that generously donated their time, gifts, and monetary contribution to this event. This event is proof that when we work together, we can make great things happen!

Thursday, 8/29/19 - 6:30 PM

The weather will soon be "cool" and the sales "hot". As the autumn colors change, you can make some spectacular changes to your home landscape. If you are tired of cutting and maintaining your turf grass, Kathleen Obirek, landscape designer and educator, will teach you how to remove some lawn without digging it up. Then get creative! Each attendee will receive two issues of the Gardener's Idea Book (to inspire you) and a "Magic Lily" Lycoris bulb that blooms in late summer with a fragrant lilac-pink flower (to enchant you). ## FROM YOUR SUPERINTENDENT (INDIAN SPRINGS SCHOOL DISTRICT #109)

Hello, everyone! I would like to thank the Justice Chamber of Commerce for allowing me this opportunity to touch base with all of you at this time. Our new school year (2019-2020) started already. The first student attendance day for all six of our attendance areas was Wednesday, August 14th. Please use extra caution on the roadways due to the fact that children will be out-and-about and school buses will be on the roadways at the start and end of each scheduled day of classes. We have a lot of great things planned for our students during the 2019-2020 academic year!

Please feel free to stop in to our District Office off of Archer Avenue to say 'Hi!' if you are able. I would love to meet each and every one of you! Thank you for your attention and cooperation.

Respectfully,  
Blair S. Nuccio, Ed.D.
